EXPERIENCE

Coderdojo Braga

2022 - ongoing

Volunteer - Mentor & Responsible for Marketing

Volunteering in Coderdojo by teaching and introducing to younger people concepts of coding and how to code with tools such as Scratch, Python or JavaScript.

CeSIUM

2022 - ongoing

Co Director - Marketing Department

Currently working for the Marketing and Communication Department at CeSIUM using and developing my knowledge with Adobe Software, such as Photoshop and Illustrator. Prior to this I was a Collaborator at the Department for a year.

CeSIUM

July 2022

Summer Camp Attendee

Attended CeSIUM's Summer Camp 1st Edition. In the Summer Camp I worked on CeSIUM's Store frontend mostly and other smaller projects.

Rolling Space

August 2022

Summer Intern - Development Team

Had an internship at Rolling Space's Development Team. In the internship I learned about technologies like Salesforce and Javascript

EVENTS

DojoCon Braga

2023

General Organizer

Organized the first edition of DojoCon Braga. The objective of the event was to create debate about the teaching of programming for teenagers/kids and promote CoderDojo Braga and its history.

SEI - Semana de Engenharia Informática
